Top-Up Benefit

Is available to add unlimited dentistry and optometry on selected plans, at an additional cost of R219.

The Unlimited Dentistry benefits covers the following:

- Basic, emergency and accident treatment, subject to a list of approved procedures (designated dentists only).
- The top-up benefit removes the R1650 basic and R3300 emergency limitations and dental visits become unlimited subject to approved procedures.

The Optometry benefit includes the following:

- One set of mono/bifocal standard frames and lenses per 24 months including eye test at designated optometrist.
- R1500 per family over a 24 months' period

Member Support Benefits

The following is included under the benefit:

- HIV, Trauma and Assault telephonic counselling, advice and support 24/7/365.
- HIV testing after exposure
- ARV starter pack, STI medication

All benefits are subject to the selected plan and waiting periods
